**B. Brief Background of the Company:**

Andrew Yule & Company Ltd (AYCL) is an Indian manufacturing and industrial conglomerate, with majority shareholding by Government of India and headquartered in Kolkata (formerly Calcutta). It became a Central Public Sector Enterprise (CPSE) in 1979 and is presently having three major Divisions, viz., Engineering (having Factory at West Bengal), Electrical (having Factories in West Bengal, Tamilnadu and Godown in Karnataka) and Tea (12 Estates at Assam and West Bengal). The Company maintains a Co-ordination Office in New Delhi. The Annual Turnover of the Company is around Rs.400 Crores and more than 50% of it is generated from Tea business

and the rest through other businesses of the Company i.e. electrical equipment manufacturing as Transformer, AVR's, Industrial Fans etc. as well as various service activities.

Tea Division of the Company produces around 117 lakh KG CTC and Orthodox Tea annually which is mainly sold mainly through Tea Auction. However, the Company is also engaged in Export of bulk tea, open market sale of tea in domestic market and retail sale of packet tea.

Our total number of sales invoices to be processed per month on an average would be 1500 and as regards purchase invoices there would around on an average 25000 line items in the purchase register per month.

- d. The bidder should allow to run an application namely an Apple by accepting the risk and clicking on run. This exercise has to be done twice immediately after opening of Bid floor. Then they have to fill up Common terms /Commercial specification and save the same. After that clicking on the Techno-Commercial bid, if this application is not run then the bidder will not be able to save / submit his Techno-Commercial bid.
- e. After filling the Techno-Commercial Bid, bidder should click 'save' for recording their Techno-Commercial bid. Once the same is done, the Price Bid link becomes active and the same has to be filled up and then bidder should click on "**Save**" to record their Price Bid. Then once both the Techno-Commercial bid & Price Bid has been saved, the bidder can click on the "**Submit**" button to register their bid.
- f. Entities are instructed to use link in **My Menu** to **Upload Documents** in document library. Multiple documents can be uploaded. Maximum size of single document for upload is 5 MB.
- g. Once documents are uploaded in the library, entities can attach documents through *Attach Document* link against the particular tender. For further assistance, please follow instructions of vendor guide.
- h. In all cases, bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid.
- g. During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.
- h. The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.
- i. Techno-Commercial bid will be opened electronically on specified date and time as given in the NIT. Bidder(s) can download Technical Comparative statement.
- j. Price bid will be opened electronically on specified date and time given in the NIT. Bidder(s) can download Price Comparative statement.

- k. All entries in the tender should be entered in online Technical & Commercial Formats without any ambiguity.
- l. All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply. Such successful tenderer shall be called hereafter **BIDDER**.
- m. It is mandatory that all the bids are submitted with Digital Signature Certificate otherwise the same will not be accepted by the system.
- n. Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof.
- o. No deviation of the terms and conditions of the tender document is acceptable. Submission of bid in the e-tender floor by any bidder confirms his acceptance of terms & conditions for the tender.
- p. Unit of Measure (UOM) is indicated in the e-tender Floor. Rate to be quoted should be in Indian Rupee as per UOM indicated in the e-tender floor/tender document.
- q. E-tender cannot be accessed after the due date and time mentioned in NIT.
- r. All notices / corrigendum and correspondence to the bidder(s) shall be sent by email only during the process till finalization of tender by ANDREW YULE & COMPANY LTD/MSTC LTD. Hence the bidders are required to ensure that their corporate email I.D. provided is valid and updated at the stage of registration of vendor with MSTC. Bidders are also requested to ensure validity of their DSC (Digital Signature Certificate).
- s. Any order resulting from this e-tender shall be governed by the terms and conditions mentioned therein. No deviation to the technical and commercial terms & conditions are allowed.
- t. ANDREW YULE & COMPANY LTD has the right to cancel this e-Tender without assigning any reason thereof.
- u. The online tender should be submitted strictly as per the terms and conditions and procedures laid down in the website [www.mstcecommerce.com/eprochome/aycl](http://www.mstcecommerce.com/eprochome/aycl) of MSTC Ltd.
- v. The bidders must upload all the documents required as per terms of NIT. Any other document uploaded which is not required as per the terms of the NIT shall not be considered.
- w. Bidders are requested to read the vendor guide and see the video in the page [www.mstcecommerce.com/eprochome/mstc](http://www.mstcecommerce.com/eprochome/mstc) of MSTC Ltd. to familiarize them with the system before bidding.
- x. **Offers to be kept valid for acceptance for 180 days from the due date of the Tender or as may be extended mutually thereafter.**

**Appointment of ASP-GSP Software Service Provider**

**Technical Criteria Sheet**

<b>Sl. No.</b>		<b>Technical Evaluation Criteria</b>	<b>Agree</b>
1		Software should help to provide the service for filing of GST returns, preparing e invoices and preparing e way bills	
2		According to the compliance management of GSTN	
	2.1	GST rule engine within build data validation	
	2.2	Bulk upload of large data in GST network	
	2.3	Direct payment gateway for E-payment	
	2.4	Filing of statutory returns	
3		Generation of timely status report for proper compliance tracking	
4		Vendor Management	
	4.1	Generating matching report and notify mismatch data	
	4.2	View and download invoice mismatch data with reasons	
	4.3	Monitoring of GST compliance rating	
5		Data collection/import consolidation	
	5.1	Data collection of accounting packages with GSP system	
	5.2	Integration of accounting packages with GSP system	
	5.3	Collection and import of data from ERP/accounting report	
	5.4	Option to export data through various file formats	
6		All the digital world/security features	
	6.1	All the digital world security features	
	6.2	Provision of secure software to protect confidential business information and avoid any kind of compromise that may pose threat to the organization business.	
	6.3	Software should be robust not only in terms of return filing but also data security point of view	
7		Multi-Platform Adaptability	

	7.1	Software should be enabled according to the multiple platforms and must be accessible from desktop, laptop, tablets or mobile phones at any point in time increasing the ease of online return filing
